

THE BEST 10 MECHANICS IN CANBERRA

By Rita Bonivento on Tuesday, 5 September 2017

Meet Canberra's 10 BEST Mechanics!

Most of us have no idea what's going on under the hood of our cars. Today's motors make as much sense as Pokemon Go does to your Grandma. So, who can you trust with your car servicing? AutoGuru customers have voted their Top 10 Mechanics in Canberra.

#1 The Car Doctor, Belconnen

Well done to Greg and his team for coming in at #1 on our Top 10 mechanics in Canberra list!

The Car Doctor is a leading Canberra-based vehicle and car repair specialist workshop. Their popularity and reputation has been built on word of mouth recommendations, confirming that their car services and repairs are competitively priced and worth talking about.

Greg Murray, owner and head mechanic, leads his highly qualified team of automotive repair technicians. 'We promise quality car servicing and satisfaction with all repairs,' says Greg.

'We use only quality parts when genuinely required and offer detailed advice prior to commencing any car service and repair work. Our customers are provided a comprehensive, written report upon completion, detailing work that's been completed, as well as any future repairs recommended for the health and safety of their vehicle.'

Review

It was a great experience, they kept in contact, were very professional - will definitely go back for the next log book service.

#2 NRMA Car Servicing Majura Park

NRMA MotorServe Majura Park is a local business, backed by a trusted national brand. They provide quality servicing and repairs to all makes and models, new and old cars alike.

Owner Alawi Mator and his team of highly trained mechanics can look after your log book servicing, general repairs and maintenance, power steering, suspension, transmission, brakes, exhaust systems, tune-ups, and more.

All work is guaranteed for minimum of 6 months or 10,000 kilometres.

'We pride ourselves on having an honest, friendly approach,' says Alawi. 'Our customers are very important to us, and its only because of our high standards of workmanship that they come back to us year after year.'

Review

I received excellent service and after I arrived home I rang them to stay I was very happy with their work.

#3 Ultra Tune Phillip

Ultra-Tune Phillip has established a reputation as the one-stop automotive workshop, providing highest quality automotive care to the greater Canberra community. They offer general servicing and repairs, log book servicing without affecting new car warranty and a wide range of additional mechanical services.

Ultra-Tune Phillip only use quality parts, including Ryco filters and Castrol oils to ensure your vehicle is in 100% condition upon completion of your service.

'We are committed to the health of every vehicle we work on. We like to see cars performing at their best,' says owner and manager Justin Hong.

'We carry out work on all makes and models and specialise in BMW, VW and Audi brands,' he adds, 'and every maintenance service comes with 6-months free Nationwide roadside assistance'.

Review

Overall the process from booking via AutoGuru through to the servicing of my car was smooth. I did appreciate the ability to evaluate costs, locations, opening times on the one interface before booking.

#4 Carco Exhaust & Automotive, Belconnen

Carco Exhaust and Automotive offer an array of mechanical services at an affordable price to ensure both you and your vehicle are safe and happy.

'We aim to give customers an excellent service experience by providing clear, honest communication and exceptional workmanship, so your vehicle will consistently perform at its best,' says owner David Battisson.

Offering logbook servicing, battery replacement, tyres & balancing, air conditioning, engine diagnostics, brake & clutch services, suspensions, road worthy inspections and LPG conversions, Carco certainly qualifies as one of the top workshops in Canberra.

Review

Great price, great value, great service! Will definitely be coming back and would recommend to others.

#5 NRMA Car Servicing Tuggeranong, Greenway

NRMA MotorServe Tuggeranong provides good, old-fashioned customer service in a modern workshop located close to Tuggeranong Hyperdome.

The team of highly trained experts offer logbook servicing, minor / interim services, suspension, transmission, windscreen repairs and exhaust systems. They specialise in the repair of classic cars and new vehicles, working on all makes and models.

'We are committed to providing high quality car servicing and repairs at excellent value for money,' says owner Alawi Mator. 'Our work is guaranteed for a minimum of 6 months or 10,000 kilometres.' That's confidence!

Review

Amazing. We were told what needed to be done before they did it, communication was great, the car service was great. The fact that they washed and vacuumed our car was above and beyond all expectations. Will definitely go back.

#6 Ultra Tune Belconnen

Ultra-Tune Belconnen are a trusted name in Canberra's automotive industry. They aim to deliver the best quality outcomes for customers and their vehicles, offering a hand-picked team of qualified technicians that carry out servicing and repairs on all vehicle makes and models.

Owner Phil Staines boasts, 'Our guys know their cars! They are knowledgeable and efficient, giving our customers peace of mind and helping them save money.'

Ultra-Tune Belconnen specialise in BMW, VW and Audi brands, and every maintenance service comes with a nationwide 6-month free roadside assistance.

'We use premium parts including Ryco filters and Castrol oils to ensure your vehicle is running at its best.'

Review

Service was completed on time and at the price quoted. Phil was a good operator, he told me exactly what was needed before they made any repairs.

Results recorded on 31st July, 2016.

#7 N & D Auto Services, Mitchell

N&D Auto Services are a local business, backed by a Repco Nationwide warranty. They offer a full range of automotive services including general servicing and mechanical repairs, log book servicing, brake & clutch, suspension, engine management electronics and much more.

Owner Niall Robb has been in the automotive industry for 40 years, so he knows cars back to front. He and his team of auto technicians are dedicated to providing efficient, friendly service to the greater Mitchell community.

'All of our mechanics are fully trained and experienced, and regularly attend workshops to further develop their knowledge and skills,' states owner Niall Robb. 'Our professionalism and work ethic will see you receiving the services and repairs that are necessary, we won't charge you for unnecessary parts or services,' he adds.

'Our reputation for quality work and great customer service continues to grow, and so does our list of happy customers.'

Review

Service was done as expected and they cleaned the car as well. Will recommend to anyone without any hesitation!

#8 Paul Whyte Automotive

Review

So easy to use, made it simple to book the car in. I also put in a question, to which I was called the day after I booked and it was answered. Can not fault this at all! M.G

#9 ABS Molonglo, Fyshwick

Rhys Budnick and his team of qualified mechanics at ABS Molonglo can take care of your vehicle's log book servicing, brakes, clutch, suspension and general under-car repairs.

'Our automotive experts work closely with you to ensure total customer satisfaction and the best performance from your vehicle,' states Rhys.

ABS Molonglo has been operating for more than 10 years, and includes 4 service bays. The workshop is conveniently open Monday to Saturday, and is situated close to bus stops on Albany Street. All service, repairs and parts carry a national 6 months / 10,000-kilometre warranty. A drop-off service can be arranged (up to 5 kilometres).

Review

Tony was very honest and straight forward with my service. Will recommend and use his services next time. Cheers.

#10 Ultra Tune Fyshwick

Manufacturer's handbook or Ultra Tune services, brakes, shocks/dampers, EFI tuning, air conditioning, general repairs and fleet service.

Results recorded 24th August, 2017.
